IX Other Information	
1	<p>On November 19, 2010, the Modified Fourth Amended Joint Plan of Reorganization of TERI and the Official Committee of Unsecured Creditors (the Plan) became effective, having been confirmed by the Bankruptcy Court in October 2010. Pursuant to the Plan's settlement provisions accepted by the Trust, the Trust received in November 2010: (i) all funds remaining in its Pledge Fund, (ii) all defaulted loans purchased from the Trust by TERI prior to April 7, 2008 using funds in the Pledge Fund (the "Pre-petition Loans"), (iii) all net recoveries realized, and rights to all net recoveries to be realized in the future, in respect of such Pre-petition Loans, except for certain net recoveries received by TERI prior to April 7, 2008 and not deposited in the Pledge Fund (the "Undeposited Recoveries") and (iv) certain additional cash and an increase in its unsecured claim in settlement of disputes concerning certain defaulted loans purchased from the Trust by TERI using funds in its general reserves. In addition, the Trust has an unsecured claim against TERI's estate in the amount specified in the Plan. The Trust received payment of a portion of its unsecured claim (approximately 10%) in December 2010. Pursuant to the Plan, TERI released its claim against the Trust for payment of accrued and future guaranty fees, and the litigation filed by the Creditors Committee against the indenture trustee, the Trust and the administrator, FMDS, was dismissed with prejudice. Copies of the Plan and all other filings made in the TERI bankruptcy proceedings may be obtained at http://chapter11.epiqsystems.com and if not available on such case website, then such filings may be obtained by contacting the Clerk at the Bankruptcy Court.</p>
2	<p>In March 2010, Ambac Assurance Corporation ("AAC"), the note insurer for the notes issued by the Trust, established a segregated account in accordance with rehabilitation proceedings commenced by the Commissioner of Insurance of the State of Wisconsin for certain insurance policies, including policies issued with respect to student loan backed securities. The purpose of the segregated account is to facilitate an orderly run-off and/or settlement of certain liabilities of AAC. The insurance policy issued by AAC for the notes issued by the Trust was not initially included in the segregated account. However, the Trust received notice in October 2010 that such policies were transferred to the segregated account. Also in October 2010, the Commissioner of Insurance filed a plan of rehabilitation and in January 2011, the state rehabilitation court confirmed the plan with certain modifications. Claims against the segregated account will be settled and paid in accordance with the terms and conditions of the plan of rehabilitation. Any holder of a right to payment from the segregated account, regardless of when such right arises, is limited exclusively to the treatment afforded by the plan. Holders of permitted policy claims will receive, in complete satisfaction of such claims, a combination of cash payments and 5.1% interest-bearing, unsecured surplus notes that are scheduled to mature in June 2020. The cash and surplus notes will initially be split 25% cash and 75% surplus notes. Federal authorities filed motions to cause the Wisconsin rehabilitation proceeding to be adjudicated in federal court, but in January 2011, the federal court issued an order finding that the state action was improperly removed to federal court and sent it back. On January 18, 2011, the IRS filed a notice of appeal. Subject to the outcome of the appeal, the rehabilitation is proceeding in accordance with the plan. The foregoing summary is qualified in its entirety by reference to copies of the plan and all other filings made in the Ambac rehabilitation proceedings, which may be obtained at www.ambacpolicyholders.com. On November 8, 2010, AMBAC Financial Group, Inc. ("Debtor") commenced a voluntary case under Chapter 11 of Title 11 of the United States Bankruptcy Code, Case No. 10-15973 (SCC) In re AMBAC Financial Group, Inc., filed in the United States Bankruptcy Court, Southern District of New York. AAC is the Debtor's principal operating subsidiary.</p>
