13	On October 29, 2010, the Bankruptcy Court entered an order confirming the Modified Fourth Amended Joint Plan of Reorganization of TERI and the Official Committee of Unsecured Creditors (the Plan). The Plan will become effective on a date established by the Creditors Committee, provided that all conditions precedent to effectiveness set forth in the Plan have been met. As of November 17, 2010, the Plan had not yet been declared effective. The Plan states that on the effective date, or as soon as practicable thereafter, the Trust will receive (i) all of its Pledge Fund and (ii) all defaulted loans purchased from the Trust by TERI prior to April 7, 2008 from funds in the Pledge Fund and all recoveries realized or to be realized in respect of such loans, except for certain recoveries received by TERI prior to April 7, 2008 and not deposited in the Pledge Fund. All defaulted loans purchased from the Trust by TERI after April 7, 2008 and all recoveries in respect of such loans will be transferred to a liquidating trust established for the benefit of creditors, including the Trust. The claims estimation methodology developed by the Creditors Committee formed the basis for estimating the Trust's future default claims and to the extent those claims exceed the collateral being returned by TERI to the Trust, the excess will be treated as an unsecured claim of the Trust against TERI's estate in an amount specified in the Plan. In addition, on the effective date, TERI will release its claim against the Trust for payment of accrued and future guaranty fees and the litigation with the Creditors Committee will be dismissed with prejudice against the indenture trustee, the Trust and the administrator, FMDS. Copies of the Plan and all other filings made in the TERI bankruptcy proceedings may be obtained at http://chapter11.epigsystems.com and if not available on such case website, then such filings may be obtained by contacting the Clerk at the Bankruptcy Court.
